PUPILS SHINE AT INCLUSIVE TRUST SPORTS DAY

51 pupils from across Oak Wood Primary, Oak Wood Secondary, Higham Lane, Higham Lane North and Michael Drayton Junior took part in the CEAT Sports Day on Tuesday 30th June 2026.

Hosted at Higham Lane North Academy, the event made use of the school's amazing facilities, which we are incredibly fortunate to have within the Trust.

The event focused on inclusion, collaboration and enjoyment, where pupils participated in a range of fun activities including: parachute games, boccia, curling, seated volleyball and an obstacle course. Every child had the opportunity to take part, build confidence and celebrate their achievements. Sports Day concluded with pupils proudly receiving a medal and certificate to recognise their involvement. We are proud that bringing pupils together through fun and collaboration has created positive experiences for everyone involved.

A special thank you goes out to the five fantastic year 7 Sports Leaders from Higham Lane North (photographed below), whose enthusiasm and support helped the event run smoothly and ensured everyone had a great time.

We would also like to extend our thanks to Miss Rounce from Higham Lane North, Ms Slater from Higham Lane and the Trust's Senior Leaders for their hard work in organising the event. We are equally grateful to our fantastic teaching staff for their invaluable support shown to pupils throughout the event.
