## WORLD MUSIC DAY

World Music Day, also known as La Fête de la Musique, celebrates music in all its forms and the importance of music in people's lives. Over 120 countries celebrate World Music Day. Take a look at how Oak Wood Primary and Oak Wood Secondary joined in the celebrations.

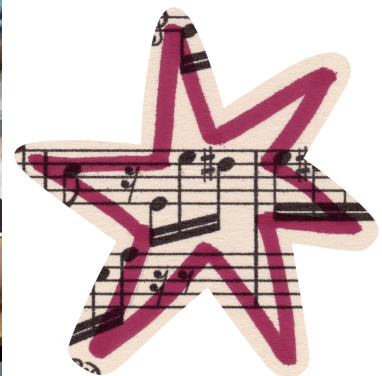

### OAK WOOD PRIMARY

Bonsai class enjoyed body percussion activities in their Music sessions, particularly engaging well with 'The Bare Necessities' and the theme song from the 'Mario' video game series. The Choir also enjoyed singing their favourite songs!

### OAK WOOD SECONDARY

Atlantis class in Oak Wood Secondary, went back to the future and explored vinyl! Pupils played records on a turntable, and music was played outside at break time for everyone to enjoy.
